

Triway Recreation Tee Ball Rules

1. Tee Ball shall be instructional. No scores or standings will be kept.
2. Triway Youth Baseball (TYB) will provide each team with Tee Ball game balls at the beginning of the season.
3. An official game is five (5) innings. No new inning shall begin after 1 hour of the game's starting time.
4. Opposing managers have the right to call their scheduled games due to inclement weather or field conditions. Games may be re-scheduled with the help of the managers involved and the TYB Board of Directors.
6. Only one (1) base on an overthrow. Bases must be earned by runner.
7. No stealing of bases allowed.
8. Every Player bats each inning, but if an out is made the batter/runner goes back to the bench.
9. Each player should bat off a tee. As the season progresses, coaches have the option of throwing up to 3 pitches to a player before switching back to the tee. This can be a player-by-player decision.
10. During Tee Ball games, a hit ball must travel ten (10) feet. Any distance less shall be called foul.
11. When the ball reaches the infield from a throw from the outfield, the play is dead, and the runners must return to the last obtained base.
12. Defensive team will consist of all players. Coaches will play all players for each inning, playing the normal infield positions and placing all other players in the outfield.
13. No strikeouts. Every effort should be made to assist the batter in making contact.
14. Infield/outfield positions are to be rotated every inning.
